

The different areas that you can direct your gift to Grace United Church

GENERAL FUND

The “General Fund” of Grace United church supports the day-to-day operations of our church, including salaries, maintenance and repairs, utilities, supplies and insurance. Your support will help us to meet our continuing obligations.

BUILDING FUND

You can make a Memorial Donation which provides you with an opportunity to acknowledge, in a caring way, that you remember someone close to you and is an expression of your sympathy and respect to the surviving family and friends. All memorial donations will be designated to the “Building Fund” unless directed otherwise. These gifts will help us to maintain our building’s upkeep for the varied groups that utilize the church on a daily/weekly basis.

M & S (MISSION & SERVICE)

Your gifts for M & S bring healing, justice and hope to life. The United Church of Canada supports Mission and Service programs and ministries through your generous and meaningful gifts. Your contribution will help to support ministries and programs in Canada and around the world.

Thank you for your generous giving to M & S! Your gift enables us to live out Jesus’ teachings of abundance and to respond to refugees, sponsorship, aid to camps, advocacy, all in hope of a safe home for all.
